

REQUEST FOR PROPOSALS

The City of Manchester will be accepting proposals from qualified firms to provide a Water Storage Tank Maintenance Program. The City currently owns, operates, and maintains five (5) potable water storage tanks as part of the City's water distribution system. The tank names and sizes are the following: 1) Macedonia Elevated 250,000 gallons; 2) School Elevated 200,000 gallons; 3) Mountain Ridge Standpipe 200,000 gallons; 4) Mayes Way Ground Storage 1,000,000 gallons; and 5) Goody Plant Elevated 200,000 gallons. All communication or questions concerning this Request for Proposals (RFP) shall be emailed to Sam Summers at utilitydirector@manchester-ga.gov.

Proposals are to be submitted to Angel Fowler, City Clerk, Manchester City Hall, 116 2nd Street, Manchester, Georgia.

To be considered Proposals must be submitted by 11:00 am Wednesday, October 5, 2022.
