Mayor Brening called the public hearing to order at 4:45 PM.

City Manager Doug Westberry presented to the Mayor and Council a proposed FY 2021 operating budget. He explained that the figures it contained were the same as the current year budget. He advised that due to the significant issues surrounding the present Coronavirus/COVID 19 situation and the uncertainty of revenue streams, adopting the same budget might be the best course of action at the moment. He further noted that the budget can be amended at any time to reflect any changes as they arise.

The meeting was adjourned at 5:00 PM.
