

Who We Are

Manchester Fire & Rescue provides prompt quality services to our stakeholders that promote safety, security, enhances sustainability, and enriches the quality of life through professional development and dedication to service. Manchester Fire & Rescue is a combination fire department. Our ISO class 3 rating reduces the cost to residents and business. Department staff operates out of 1 fire station. Our Training facility includes a 3 story drill tower, burn building, car fire simulator, roof ventilation simulator, LP tank and a confined space trailer. The department also provides mutual aid to neighboring cities and counties upon request.

Vision

Manchester Fire & Rescue strives for excellence in emergency preparedness and response, to enhance our customer focused, innovative role as industry leaders, while overcoming expanding risks.

Mission Statement

Manchester Fire & Rescue provides prompt quality services to our stakeholders that promote safety, security, enhances sustainability, and enriches the quality of life through professional development and dedication to service.

Core Values

Integrity, Competence, Excellence, Honesty, Predictability, Accountability, and Dependability.
